

Welcome to Flavours!

Welcome to the web Home of Flavours Catering, inc.

Flavours is a new catering company with a desire to meet our clients' every catering need. We offer a unique and tasteful menu along with top of the line service. We have seen and experienced 2nd rate menus and below average attention to the customer.

Our philosophy is to serve people with the best that we can offer. Call or email us today to try Flavours and you'll taste the difference.

We are just starting so our website will be very dynamic for the next few months. Our menu will be growing and changing to bring the very best to our customers.

Please browse our Menu Categories for Items or visit our Event Menus Page for Pre-selected and Priced Menus We will be adding shopping and payment options to our website. In the interim please contact us with your orders and questions via email or phone.
